The following supplementary information has been received on the Argentine plane which entered Bolivia illegally on 11 April 1949.*

1. The pilot of the plane was Pedro Berazategui,** a member of the Aero Club de Pergamino. Berazategui and his plane were released from custody when police were unable to link him with any subversive activity.
2. The pilot claimed that he believed no papers or permit of any kind were necessary, since he had communicated the plans for his trip to his friend Jorge Diez de Medina, Chief of Protocol in the Bolivian Ministry of Foreign Relations.
